I'd like it were officially formalized, and as I said do not mind to get a 3 month notice at the end of December or earlier.

I did not agree to that and it was not the condition of the offer I had accepted.

Katerina I can try to be there, but remember what we discussed if you cannot work with Maria and you cannot talk with her alone you need to leave the lab end of December. She is your boss for the project.

Thanks

Dear Luis,

I wouldn't like to discuss it with Maria tete-a-tete, please.
I just need the doc file with specification on the formats.

Cheers, -
Catherine
